Setback to Privy (Portable, Composting)	-	Feet		

Prior to the placement or construction of a structure more than ten (10) feet but less than thirty (30) feet from the minimum required setback, the boundary line from which the setback must be measured must be visible from ly surveyed corner to the other previously surveyed corner, or verifiable by the Department by use of a corrected compass from a known corner within 500 feet of the proposed site of the structure, or must be marked by a licensed surveyor at the owner's expense.

(9) Stake or Mark Proposed Location(s) of New Construction, Septic Tank (ST), Drain field (DF), Holding Tank (HT), Privy (P), and Well (W).

NOTICE: All Land Use Permits Expire One (1) Year from the Date of Issuance if Construction or Use has not begun. For the Construction Of New One & Two Family Dwelling: <u>ALL</u> Municipalities Are Required To Enforce The Uniform Dwelling Code.

The local Town, Village, City, State or Federal agencies may also require permits.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

WEATHERIZE AND POST THIS PERMIT ON THE PREMISES DURING CONSTUCTION

Jacob & Dana Benson 20-0135 Issued To: No. F 1/2 of the E 1/2 of Washburn Location: NE 1/4 of NE Section 33 **Township** 49 Range 5 Town of W. Gov't Lot Subdivision CSM# Lot Block

For: Residential Accessory Structure: [1- Story; Pole Building (30' x 40') = 1,200 sq. ft.]

(Disclaimer): Any future expansions or development would require additional permitting.

Condition(s): Structure not for human habitation. No pressurized water or plumbing allowed in structure.

Must meet and maintain setbacks.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

NOTE: This permit expires one year from date of issuance if the authorized construction work or work or land use has not begun.

Changes in plans or specifications shall not be made without obtaining approval. This permit may be void or revoked if any of the application information is found to have been misrepresented, erroneous, or incomplete.

This permit may be void or revoked if any performance conditions are not completed or if any prohibitory conditions are violated.
